

Financial Professional Specific Conflicts of Interest (A Supplement to the Conflicts of Interest Disclosure)

For Financial Professional Christopher Buxton

This document is intended as a supplement to the Conflicts of Interest Disclosure Form recently provided to you, and provides specific conflict of interest information relating to your financial professional that has recently recommended investment products to you. Please review this document in connection with the Conflicts of Interest Disclosure Form, as these disclosures are to be understood in connection with each other. Additionally, please review the firm's form CRS and other information contained on the firm's website: www.cfdinvestments.com.

Product limitations relating to registrations

Your financial professional is registered as an investment adviser representative of Creative Financial Designs, Inc. and can offer advisory services identified in the form ADV and the form CRS. As an investment adviser representative of Creative Financial Designs, Inc., your financial professional can offer advisory services regarding general securities (such as stock and bonds) notwithstanding the comments above.

Conflicts related to self-imposed financial professional limitations

75% or more of the securities business conducted by the financial professional in the past twelve months has been written with only 1 issuer. Particularly, your financial professional recommends products issued by Vanguard, Schwab, and Fidelity Index Funds. If other products or services may be a better option for you in your circumstances, the limitation imposed by this financial professional may constitute a conflict of interest.
